# About SCCE's Basic Compliance & Ethics Academy®

## Why you should attend

More than 3,000 compliance professionals have turned to SCCE Basic Compliance & Ethics Academies to learn best and leading practices in compliance and ethics management.

SCCE Academies are not conferences. Instead, they provide in-depth, classroom-style training in the essential elements of an effective compliance and ethics programme. Class size is limited to facilitate interaction both with the faculty and the other participants.

Topics addressed include:

- Standards, Policies, and Procedures
- Compliance and Ethics Programme Administration
- Communications, Education, and Training
- Monitoring, Auditing, and Internal Reporting Systems
- Response and Investigation, Discipline and Incentives
- Anti-Corruption and Bribery
- Risk Assessment
- Compliance across borders

The Academies are also excellent preparation for the Certified Compliance and Ethics Professional-International (CCEP-I)® examination.

Course materials are provided and include SCCE's The Complete Compliance and Ethics Manual (normally \$419) and International Compliance 101 (normally \$60)

An integral feature of the SCCE Academy is the ability to meet industry peers. Because class size is limited you will have the opportunity to get to know the other Academy attendees well. In addition, during the course of the Academy, SCCE provides a networking event that gives participants the opportunity to meet with each other in an informal environment.

## Becoming certified

Currently over 7,600 Compliance Professionals around the world have earned a Compliance Certification Board designation. These individuals have all demonstrated sufficient knowledge of government regulations and compliance processes to understand and address legal obligations and promote organizational integrity through the operation of effective compliance and ethics programmes.

By taking and passing the Certified Compliance and Ethics Professional-International (CCEP-I)® certification exam, you will both join this distinguished group and help further the development of the compliance and ethics profession.

Earning the CCEP-I requires passing the CCEP-I examination, which, is offered after the conclusion of the Academy. Eligibility to sit for the examination requires the completion of 20 hours of continuing education in compliance within the 12 months prior to your exam date. There are a number of ways to obtain those credits, but the Basic Compliance & Ethics Academy can provide all the continuing education credits you need and also provides excellent preparation for the certification exam. Additional eligibility requirements and more detailed information about the exam can be found in the CCEP Candidate Handbook or at [compliancecertification.org](http://compliancecertification.org).
