In order to sit for this examination, you must submit documentation of 20 CCB continuing education units, of which 10 must have come from "live" training events, and have been earned within the 12-month period preceding the exam date.

CEUs can be earned from programs outside SCCE and HCCA events and activities. You can submit these outside programs for CCB CEU approval using the online or paper Individual Accreditation Application form. See the *CCEP-I Candidate Handbook* for more information on obtaining outside CEUs for your CCB certification.

☐ Check here if you will be attending an SCCE/HCCA event to earn the required 20 CCB CEUs.

**Please Note:** CEUs earned prior to the exam date are considered "redeemed" upon passing, and cannot be used toward your first renewal period even if CEUs are in excess of the 20 required to sit for the exam.

List below any additional necessary CEUs earned, along with appropriate documentation per the candidate handbook if they are not already on file with CCB.

Title	Date	Credits
